propere, simpele forms:

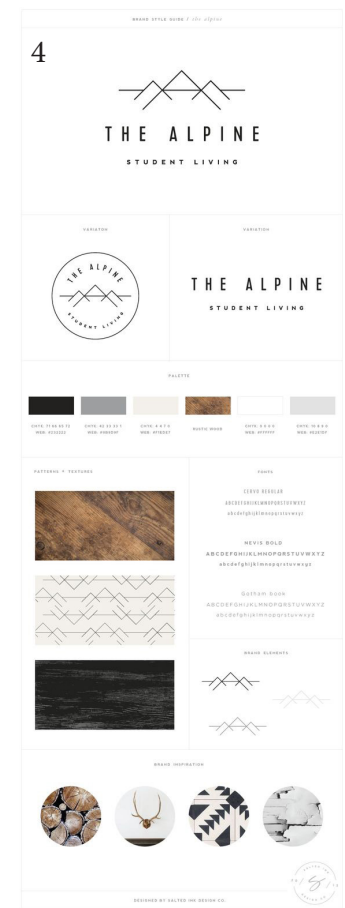

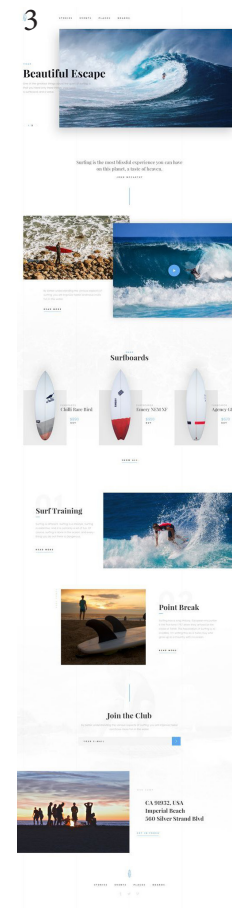

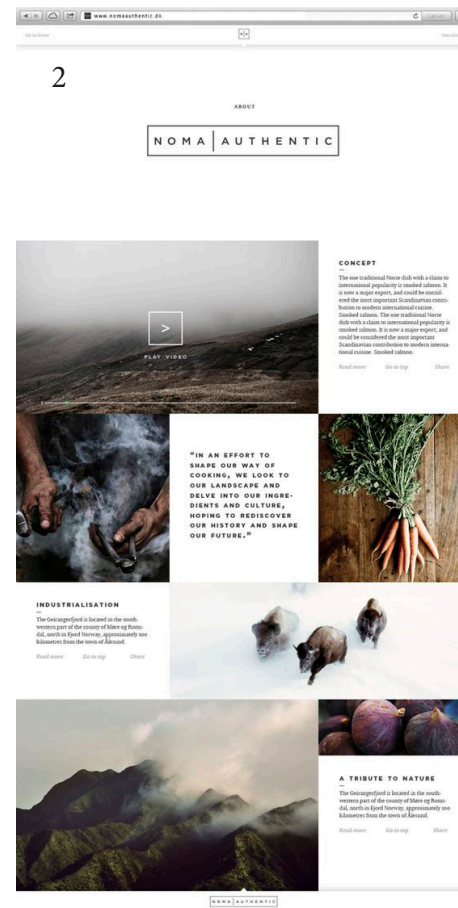

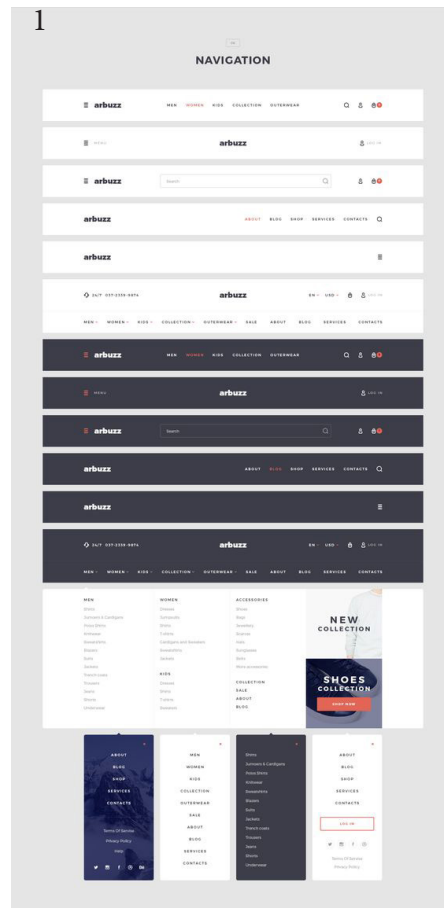

- makkelijke navigatie
- neutrale kleuren
- duidelijke aanwezigheid en geen overdreven aandacht die getrokken wordt.

- foto: 2
- tiles: combinaties van foto's en tekst waarmee men kan doorklikken (vanaf startpagina) kan gaan van fotoblogs, naar reviews, tot opsomming van activiteiten etc etc
- speelse afwisseling tussen foto's, tekst en witruimte/ademruimte
- simpliciteit
- video's
- grafische elementen

Deze site straalt zekere klasse uit. Deze klasse gaat gepaard met een schijn van kennis, wat ik enorm belangrijk vind. Hoe kan je anders mensen hun vertrouwen winnen om samen op avontuur te gaan?

links:

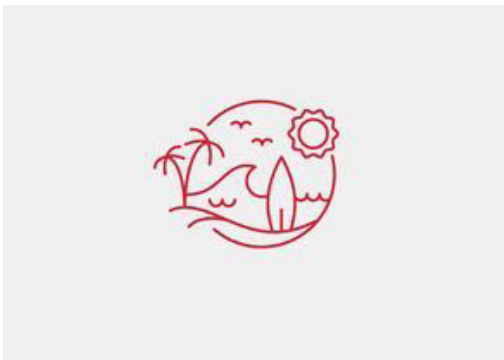

- clear en simpel design
- less is more
- minimalistisch
- witruimte
- rustige kleuren
- zachte kleuren

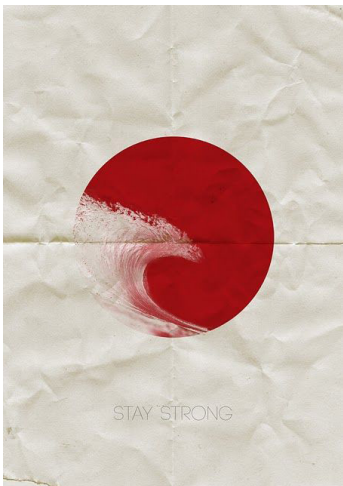

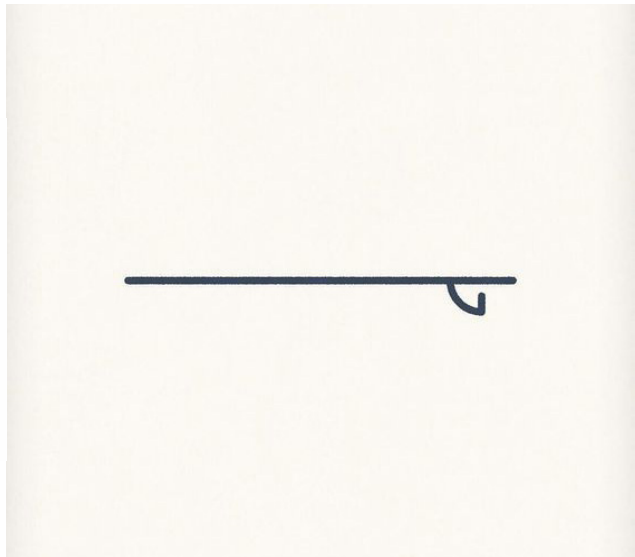

logo's die makkelijk aangepast kunnen worden om de verschillende thema's rijkelijk te illustreren.

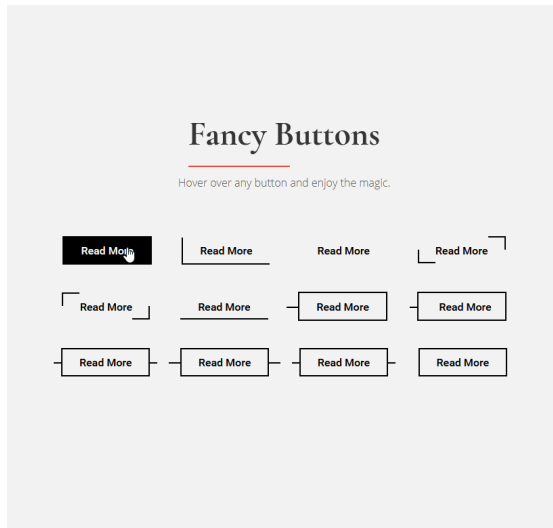

knoppen en iconen die illustreren waarvoor de 'knop' staat.

verzorgde en stijlvolle zoekbalk. Veel opties om meteen naar het onderwerp dat je wil te navigeren. Ik zou de naamgeving van hierboven hegebruiken.

- eenvoudig maar duidelijk logo's
- 2 kleuren
- beetje abstract
